## Professional Experience

### **Woods Studio**

2019 - 2022

#### *Darkroom Monitor*

- Managed and maintained the freshman darkroom, including mixing fresh batches of chemistry, troubleshooting equipment difficulties, and ensuring a clean and organized workspace for students.
- Assisted in teaching students silver gelatin printing techniques and black and white film development.

### **Lowe's**

2019, 2021

#### *Garden Merchandiser*

- Restocked and arranged merchandise in the outdoor greenhouse to create attractive displays of live plants and trees.
- Assisted in receiving and unloading large shipments of live plants and pottery, watering, and customer service.

### **Michelle Dirks**

2017 – present

#### *Assistant*

- Worked extensively with Microsoft Word to transcribe and organize handwritten recipes and herbal remedies to create educational workbooks and cookbooks, draft invoices, emails, and newsletters, and create attractive flyers promoting lectures and macrobiotic products.

### **Learning Allegro**

2015 - 2016

#### *Cashier and Music Teacher*

- Individually maintained the storefront and interfaced with customers by scheduling lessons, renting out instruments, processing lesson payments, and making phone calls.
- Taught young children beginner's level music theory, music comprehension, and basic piano and violin techniques.

## Skills

### **Photography**

- Worked extensively with 35mm, 120, and 4x5 film in both black and white and color. Experienced in manual film development and enlargement in both silver gelatin and chromogenic processes.
- Operated Colex and Colenta Color Processors
- Color correction (both manual and digital), spotting, and archiving
- Operated Creo iQsmart 3 scanners and Epson Perfection V700/750/850 scanners
- Created inkjet prints with Epson Stylus 4900/7900/9900 printers

### **Languages**

- Proficient in Latin and Middle English
- Moderate in Ancient Greek
- Beginner's level in Japanese: familiarity with basic phrases, hiragana, and katakana

### **Programs**

- Familiarity with Microsoft Office Suite, Adobe products such as Photoshop, Bridge, Lightroom, and InDesign, and Camera RAW programs.
